American Academy of Sleep Medicine

Sleep Education Series Courses

Fall/Winter 2008

August 8–10 • National Sleep Medicine Course
September 6 • Essentials of Sleep Technology: CPAP Titration Course
September 7 • Essentials of Sleep Technology: Sleep, Parasomnias and Nocturnal Epilepsies Course
September 26–28 • Board Review for Sleep Specialists Course
October 31–November 2 • Interpreting Sleep Studies Course
November 7–9 • Interpreting Sleep Studies Course

Register online at www.aasmnet.org
AASM Sleep Education Series courses offer interactive professional education opportunities for sleep medicine practitioners and allied health professionals interested in learning more about sleep medicine. Presented by distinguished faculty, the courses provide participants with in-depth, timely and relevant information that will improve their knowledge and understanding of sleep medicine disorders and other issues related to the field.

National Sleep Medicine Course

August 8-10, 2008  •  Hyatt Lodge  •  Oak Brook, Illinois
Earn up to 29.25 AMA PRA Category 1 Credits™.

Register on or before the Advanced Registration Deadline of July 11, 2008, to save!

Course Description
During this three-day course, an expert faculty will present in-depth information on the assessment, diagnosis and treatment of sleep disorders. The course will provide an organized and solidified overview of the field of sleep medicine through both formal and informal teaching sessions. Formal sessions will combine didactic and case-based learning with ample time allotted for questions and answers. Interactive sessions will focus on polysomnogram interpretation. Attendance is limited to allow participants to have the opportunity to interact with faculty during case study reviews and question and answer sessions as well as informally during meals.

Target Audience
• Primary care physicians seeking to learn how to recognize sleep disorders in their patients
• Fellows and trainees interested in a career in sleep disorders medicine
• Sleep medicine clinicians seeking an overview of the current state of the art in sleep disorders diagnosis and treatment

Objectives
Upon completion of this course, participants will be able to:
• Perform a comprehensive evaluation of patients suspected of sleep disorders
• Construct a differential diagnosis for sleep disorders patients
• Evaluate the appropriateness of diagnostic testing for sleep disorders
• Have a basic understanding of how to interpret polysomnograms

• Use the International Classification of Sleep Disorders, Second Edition to arrive at a final diagnosis
• Determine an appropriate treatment for patients with sleep disorders

Important Dates
July 10, 2008  Deadline to Reserve Hotel Rooms at Discounted Rate of $140/Night
July 11, 2008  Advanced Registration Deadline to Receive Reduced Registration Fees
July 11, 2008  Cancellation Deadline
August 8–10, 2008  National Sleep Medicine Course

This is the ideal course for sleep medicine fellows and trainees or physicians who would like to learn more about sleep medicine!
Preliminary Course Schedule

Friday, August 8, 2008
7:00am – 8:00am  Continental Breakfast and Registration
8:00am – 12:30pm  Morning General Session
• Neurobiology of Sleep
• Polysomnography: Methodology
• Polysomnography: Interpretation and Sleep Staging
• Portable Monitoring: The New Era in Sleep Medicine
12:30pm – 1:30pm  Lunch
1:30pm – 5:00pm  Afternoon General Session
• MSLT, MWT and Actigraphy
• The Normal Circadian Rhythm of Sleep
• Changes in Sleep with Age
• Interaction between Endocrine Function and Sleep
• Sleep Disorders in Chronic Medical Conditions
5:00pm – 7:00pm  Dinner On Your Own
7:00pm – 9:00pm  Evening Session

Saturday, August 9, 2008
7:00am – 7:30am  Continental Breakfast
7:30am – 12:30pm  Morning General Session
• Cardiopulmonary Changes during Sleep
• Pathophysiology of Obstructive Sleep Apnea
• Positive Airway Pressure Therapy for Sleep Apnea
• Central Sleep Apnea: Pathogenesis, Diagnosis and Treatment
• Heart Failure and Sleep Apnea
• Surgical Treatment for Sleep Apnea
12:30pm – 1:30pm  Lunch
1:30pm – 4:45pm  Afternoon General Session
• Pediatric Sleep Apnea: Diagnosis and Management
• Behavioral Sleep Disorders in Children
• Disorders of the Circadian System
• Diagnosis and Management of Parasomnias
4:45pm – 7:00pm  Dinner On Your Own
7:00pm – 9:00pm  Evening Session

Sunday, August 10, 2008
7:00am – 7:30am  Continental Breakfast
7:30am – 12:30pm  Morning General Session
• Epidemiology, Pathophysiology and Etiology of Insomnia
• Pharmacological Treatment of Insomnia
• Behavioral Treatment of Insomnia
• Restless Legs Syndrome and Nocturnal Movement Disorders
• Nocturnal Epilepsies
• EEG – Normal and Abnormal
12:30pm – 1:30pm  Lunch
1:30pm – 4:45pm  Afternoon General Session
• Narcolepsy and Syndromes of Excessive Daytime Somnolence
• Effects of Acute and Chronic Sleep Deprivation
• Post-test and Review
4:45pm – 7:00pm  Dinner On Your Own
7:00pm – 9:00pm  Evening Session

Questions?  Call the AASM Meeting Department at 708-492-0930.
Essentials of Sleep Technology: CPAP Titration Course

September 6, 2008 • Baptist Hospital • Nashville, Tennessee
Earn up to 4.5 AMA PRA Category 1 Credits™.

Register on or before the Advanced Registration Deadline of August 8, 2008, to save!

Course Description
This course will provide a review of basic lung physiology and control of breathing. It will include instruction in the recognition and criteria for evaluation of the severity of sleep related breathing disorders for the implementation of “split night” studies. Common treatment modalities as well as newer positive airway pressure modalities will be reviewed. The culmination of the course will be a discussion of positive airway titration schemes and methods for improving patient compliance.

Target Audience
• Sleep technologists seeking a review of sleep disordered breathing with a primary focus on CPAP titration

Objectives
Upon completion of this course, participants will be able to:
• Understand the pathophysiology of sleep related breathing disorders
• Recognize when CPAP titration is appropriate
• Learn techniques for CPAP titration
• Be familiar with advanced topics such as Bilevel PAP and Auto-PAP
• Legally perform CPAP titration as a sleep technician in South Carolina

Faculty
Eric Olson, MD — Course Chair
John Park, MD

Important Dates
August 8, 2008 Advanced Registration Deadline to Receive Reduced Registration Fees
August 8, 2008 Cancellation Deadline
September 6, 2008 Essentials of Sleep Technology: CPAP Titration Course

Preliminary Course Schedule
10:00am – 11:00am Registration
11:00am – 12:30pm Morning General Session
• Breathing during Wakefulness and Sleep and Sleep Related Breathing Disorders
12:30pm – 1:30pm Lunch
1:30pm – 5:00pm Afternoon General Session
• Polysomnographic Diagnosis of Sleep Related Breathing Disorders
• CPAP Titration
• Bilevel PAP Titration
• Advanced Topics

This course offers CEC Credits for technologists!
Essentials of Sleep Technology: Sleep, Parasomnias and Nocturnal Epilepsies Course

September 7, 2008 • Baptist Hospital • Nashville, Tennessee
Earn up to 4.25 AMA PRA Category 1 Credits™.

Register on or before the Advanced Registration Deadline of August 8, 2008, to save!

Course Description
This course will offer sleep technologists a review of electroencephalography during polysomnography and the differential diagnosis of events during sleep.

Target Audience
• Sleep technologists seeking a better understanding of nocturnal seizures and parasomnias

Objectives
Upon completion of this course, participants will be able to:
• Understand when additional electroencephalographic leads are appropriate during polysomnography
• Recognize common electroencephalographic abnormalities during sleep
• Review the difference between parasomnias and nocturnal epilepsies and the gray zone in between

Faculty
Bradley Vaughn, MD — Course Chair
Merrill Wise, MD

Important Dates
August 8, 2008 Advanced Registration Deadline to Receive Reduced Registration Fees
August 8, 2008 Cancellation Deadline
September 7, 2008 Essentials of Sleep Technology: Sleep, Parasomnias and Nocturnal Epilepsies Course

Preliminary Course Schedule
8:00am – 9:00am Registration
9:00am – 11:30am Morning General Session
• Electroencephalography
• Abnormal EEG Patterns and Video-Polysomnography of Behaviors
11:30am – 12:45pm Lunch
12:45pm – 3:00pm Afternoon General Session
• Parasomnias
• Nocturnal Epilepsies

This course offers CEC Credits for technologists!
Board Review for Sleep Specialists Course

September 26–28, 2008 • Hyatt Regency Reston • Reston, Virginia
Earn approximately 20 AMA PRA Category 1 Credits™.

Register on or before the Advanced Registration Deadline of August 29, 2008, to save!

Course Description
This course will provide physicians with a comprehensive review of the topics covered on the American Board of Medical Specialties (ABMS) sleep medicine examination. The course will feature didactic sessions on basic sleep mechanisms and evaluation of polysonograms; case-based lectures on the entire range of sleep disorders in the International Classification of Sleep Disorders, Second Edition; practice examinations using an audience response system; and breakout sessions to provide participants with supplemental information on the topics of greatest interest to them. The course is taught by an expert faculty including basic researchers, academicians and clinicians at the forefront of sleep medicine. Following the course, all attendees will receive complimentary access to online practice examinations through the AASM Web site.

Target Audience
• Diplomates of the American Board of Sleep Medicine planning to take the ABMS examination in sleep medicine
• Other physicians currently active in sleep medicine

Objectives
Upon completion of this course, participants will be able to:
• Formulate a differential diagnosis for sleep disorders patients
• Determine appropriate investigative strategies
• Review and interpret sleep studies
• Evaluate data and arrive at a final diagnosis
• Develop a comprehensive treatment plan for patients with sleep disorders
• Devise a schedule for study in preparation for the sleep board examination

### Quote from a 2007 course attendee:

“I TOOK THE COURSE. I PASSED THE TEST. ENOUGH SAID!”

— Seymour Huberfeld, MD, FACP, FCCP
Interpreting Sleep Studies Course

October 31, 2008–November 2, 2008 • Marriott Crystal Gateway • Arlington, Virginia
November 7–9, 2008 • Phoenix Marriott Mesa • Mesa, Arizona
Earn up to 15.50 AMA PRA Category 1 Credits™.

Register on or before the Advanced Registration Deadline of October 3, 2008, to save!

Course Description
In April 2007, the AASM published the AASM Manual for the Scoring of Sleep and Associated Events: Rules, Terminology and Technical Specification. This manual is the first revision of the classic manual by Rechtschaffen and Kales and provides a comprehensive and definitive reference for the evaluation of polysomnograms. All AASM accredited sleep centers and laboratories are required to score sleep studies according to the manual. This includes the use of all recommended respiratory sensors and EEG, EOG and EMG derivations. Additionally, all new polysomnograph equipment purchased on or after July 1, 2008, must fulfill the technical and digital specifications listed in Section III of the manual. This course will review the six sections of the manual in detail. Portable monitoring sessions will include discussion of AASM guidelines for use, Medicare regulations, scoring recommendations and a session on integrating portable monitoring into sleep center activity.

Interpreting Sleep Studies: Pediatric Workshop
This course will offer an optional pediatric workshop on Sunday morning following the general sessions. During this half-day workshop—which is intended for sleep medicine professionals including physicians and technologists seeking further understanding of the studies of pediatric patients—faculty will discuss the application of the special rules for scoring pediatric sleep studies as well as methods for making sleep studies child-friendly. The workshop will focus on scoring methods, development of EEG patterns and techniques for improving pediatric patients’ compliance with sleep studies.

Target Audience
• Physicians and technologists seeking further understanding of the interpretation of sleep studies and portable monitoring studies

Objectives
This course is intended to provide:
• An overview of the AASM Manual for the Scoring of Sleep and Associated Events: Rules, Terminology and Technical Specification
• Instruction on transitioning from Rechtschaffen and Kales to the new scoring methodology
• Exemplary fragments of polysomnograms scored using the new methodology
• A review of clinical guidelines and scoring procedures for portable monitoring studies

Faculty
Stuart Quan, MD—Course Chair
Andrew Chesson Jr., MD
David Claman, MD
Madeleine Grigg-Damberger, MD
Conrad Iber, MD
Vishesh Kapur, MD
Douglas Kirsch, MD
Carol Rosen, MD

Preliminary Course Schedule

Friday (October 31, 2008* & November 7, 2008)
12:00pm – 1:00pm Registration
1:00pm – 5:15pm Afternoon General Session
  • Technical Standards
  • Visual Scoring
  • Arousal Scoring
  • Cardiac Scoring
5:30pm – 6:30pm Reception with Faculty – BYOT (Bring Your Own Tracings)

Saturday (November 1, 2008 & November 8, 2008)
7:00am – 8:00am Continental Breakfast
8:00am – 11:45am Morning General Session
  • Movement Scoring
  • Respiratory Scoring
  • Reporting Parameters
  • Scoring Reliability
11:45am – 12:45pm Lunch
12:45pm – 5:00pm Afternoon General Session (Portable Monitoring)
  • Technical Standards
  • Scoring and Reporting Portable Monitoring Data
  • Clinical Guidelines for Portable Monitoring
  • Integrating Portable Monitoring in Your Clinical Practice

Sunday (November 2, 2008 & November 9, 2008)
7:00am – 8:00am Continental Breakfast
8:00am – 12:45pm Pediatric Workshop
  • Respiratory Scoring in Children
  • Neonatal and Child EEG and Sleep Scoring
  • Adolescent Sleep and Pubertal Changes
  • Making Sleep Studies Child-Friendly

*On Friday, October 31, all course sessions will be held 1 hour later than the published times above. Registration will begin at 1:00pm, with the Faculty Reception ending at 7:30pm.
Registration Instructions

There are 3 ways to register for AASM Sleep Education Series Courses

- Online. www.aasmnet.org/sleepedseries.aspx (credit card only)
- Fax. (708) 273-9354 (credit card only)
- Mail. American Academy of Sleep Medicine
  Attn: Meeting Department
  One Westbrook Corporate Center, Suite 920
  Westchester, IL 60154
  (check or credit card)

Registration Disclaimer
Registration is limited. Please register early. Confirmation letters will be sent via e-mail within one week of receipt of registration form and payment. All attendees must pre-register; on-site registration will not be accepted.

The AASM will not be held liable if an individual purchases an airline ticket before receiving confirmation of registration for these courses.

Registration Categories

Members
To register as a member, the registrant must currently be an individual member of the American Academy of Sleep Medicine (AASM). If the AASM is unable to confirm that the individual is an active member of the society, the AASM will register the individual as a nonmember at the nonmember prevailing fees. Members of the American Association of Sleep Technologists (AAST) may register at the member rate for the Essentials of Sleep Technology and Interpreting Sleep Studies courses only.

Employees of Center/Lab Members
To register as an employee of a center or laboratory member (with a maximum of four registrants), the registrant must currently be employed at a sleep center or sleep lab that is an active member of the AASM. If the AASM is unable to confirm that the center or lab is a member of the AASM, the AASM will register the individuals as a nonmember at the nonmember prevailing fees.

Student Members
To register as a student member, the registrant must be an active student member of the AASM. If the AASM is unable to confirm that the individual is a student member of the society, the AASM will register the student as a nonmember at the nonmember prevailing fees. This registration category is available for the National Sleep Medicine Course only.

Nonmembers
Save on registration fees by joining the AASM!
If you are not an individual member of the AASM and would like to become a member, please complete the membership classification information on the registration form. For more information regarding AASM membership—including a description of the qualifications for each membership category—please visit the AASM Web site at www.aasmnet.org, or call the AASM Membership Department at (708) 492-0930.

☐ Pulmonology

Attendee List Permission (Please check one)

☐ Yes, I give my permission to include my contact information on an attendee list to be distributed to course attendees.
☐ No, I do not give my permission to include my contact information on an attendee list to be distributed to course attendees.

AASM Membership

Want to register for the member price, but you’re not a member? Join the AASM to receive instant savings including reduced course registration fees, subscriptions to the journals SLEEP and Journal of Clinical Sleep Medicine, and much more. Visit the AASM Web site at www.aasmnet.org for more information about membership including a complete listing of benefits and a description of all membership categories. Membership is on a calendar-year basis (January 1–December 31). On June 1, 2008, membership dues were prorated to the below amounts.

☐ Regular Members $200 $125 ☐ Student Members without journals $40 $20
☐ Affiliate Members $200 $125 ☐ Affiliate Industry Members $400 $250
☐ Student Members with journals $115 $60
## Registration Fees

Please check the appropriate registration fee(s). The AASM will register individuals at the fee corresponding to the date that the registration is received at the AASM national office.

Phoenix Marriott Mesa
Reservations: (888) 236-2427 or (480) 898-8300
AASM Group Rate: $169.00 per night plus tax

Meals

Meals provided by the AASM are available for registered attendees only. Guests of attendees cannot be accommodated during meal functions.

Transportation

Attendees may contact Corporate Travel to purchase airlines tickets. Call toll-free (800) 526-4540 and ask for Lori or Julie to assist you.

Confirmation

Confirmations will be sent via e-mail within one week of receipt of registration form and payment. All participants must pre-register for courses; on-site registration will not be accepted. The AASM will not be held liable if an individual purchases an airline ticket before receiving confirmation of registration for their course.

Cancellation Policy

To cancel a registration, written notification must be submitted to the AASM meeting department. A $50 administrative fee will be withheld on cancellations postmarked prior to the course cancellation deadline. After this date, no refunds will be available. Refunds are not provided to no-shows. The AASM reserves the right to cancel a course and provide a full refund should conditions warrant. The refund will only include the cost of registration for the course.

Continuing Medical Education

The American Academy of Sleep Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The ACCME mandates that accredited providers only offer AMA PRA Category 1 Credits™ to physicians. The AASM will issue non-physicians a letter of attendance for activities designated for AMA PRA Category 1 Credits™ for physicians. Physicians will continue to receive a certificate indicating awarding of AMA PRA Category 1 Credits™.

The American Academy of Sleep Medicine will award AMA PRA Category 1 Credits™ for these courses. Each physician should claim only those credits that he/she actually spent in the educational activity.

Recording

The AASM strictly prohibits photographing and/or recording of any kind of sessions and speakers at the courses.
